

IRON COUNTY OUTDOOR RECREATION SURVEY

The Iron County Forestry & Parks Department is in the process updating its Outdoor Recreation Plan covering the years 2009-2013. The new five-year outdoor recreation plan will list completed projects and identify new projects for development. The plan focuses upon Iron County Forestry & Parks Department facilities and trails but will also list projects within the towns and cities in order to be eligible for federal and state outdoor recreation grant money.

1. Indicate the group you are representing, if applicable.
2. What do you believe are the top three outdoor recreational issues facing Iron County? How can these issues be satisfied?
3. What improvements would you like to see made at any **Iron County** managed facility or trail? Please list the facility, the general location and desired improvement.
4. Do you feel there should be any new outdoor recreational facilities developed? If so, where and what type of facilities. How would any new facilities be funded?
5. Please list any other suggestions or comments.

A draft of the completed plan will be available for review as well as a public comment session prior to plan adoption. Any additional questions or comments may be directed to the Iron County Forestry Department at any time.
